

FITZROY

BOAT RACK TRACK

High praise from an expert- Frank Steven

Wesley College boatman is impressed with 28 years of faultless **Fitzroy** performance.

Frank says "Fitzroy Tracks are the best thing since buckle up boots and you can quote me."

Fitzroy Boat Rack Tracks are built on the same engineering principle as the famous **Fitzroy** door tracks, a successful track history going back to 1880.

Your rowers are winners with **Fitzroy**:

- ELIMINATES HULL DAMAGE WHEN RACKING.
- NO STRAIN, NO PAIN, JUST A SMOOTH EASY ACTION.
- FASTER ACCESS, SIMPLE STORAGE.
- STRONG, ROBUST BALL BEARING AND SOLID STEEL CONSTRUCTION.
- INCREASES SHED STORAGE CAPACITY.
- 5 BOATS HIGH, NOW EASILY ACCESSABLE.
- NO MORE PUSHING, PULLING, SCRAPING OR BUMPING.
- VELVET TOUCH CARE FOR 'EIGHTS', TO 'SCULLS'.
